

## Molto Bella Auto Show Returns This Sunday, September 8

*By Donna Spiegler, Communications Manager*

The weather forecast is *spectacular* for this year's 7th annual **Molto Bella Auto Show** at Stan Hywet Hall & Gardens on Sunday, September 8 from 10 am – 4 pm. Look for an incredible array of high-value cars, including Ferraris, Bugattis, Roadsters, Deussenbergs and more.

“With the historic Manor House and gardens as a backdrop, the Great Meadow is uniquely suited to showcase the 400 beautifully-designed exotic cars on display at this invitation-only show. Molto Bella also features good food, beverages, music and a leisurely day at Stan Hywet enjoying the estate,” notes Sean Joyce, President & Executive Director of Stan Hywet Hall & Gardens.

A highlight this year is the collection of traditional hot rods (1938 Chevys and 1932 Fords) of the late Elton “Sonny” Hunt, (known at the “Rodfather”) on display, as well as a 1931 Auburn, owned by Chad and Jennie Caldwell, winner of the Great American Race.

Molto Bella benefits both Stan Hywet and the Kidney Foundation of Summit County; the Molto Bella Auto Show is a tribute to the late Mel Todaro, who passed away from kidney cancer when the first show was just a concept. The [pre-show party](#) takes place on September 7 at Todaro's Party Center to raise funds specifically for the Kidney Foundation.
