

## See Extraordinary Vehicles at 6th Annual The Molto Bella Auto Show on Sunday, September 9, 2018

By Sean Joyce  
President & Executive Director  
Stan Hywet Hall & Gardens

The sixth annual (first at Stan Hywet) Molto Bella Auto Show is going to be a one-of-a-kind gathering of vehicles this Sunday, September 9th. On display will be about 400 exotic cars (some valued in the millions of dollars) from as far away as Texas — including some really rare classics. These are cars that the owners *drive*, so guests who attend will see the cars as they drive in and out of the estate.

This show will be the largest gathering of exotic high-class cars around, including 40 – 60 world class Ferraris, Bugattis, McLarens, Lamborghinis and more. Car enthusiasts will find much to see! *And do:* each ticket to the Molto Bella Auto Show includes a self-guided tour of the Manor House. There will be music, soft drinks, full bar and food for purchase from Todaro's Catering. An added offering will be a mobile premium cigar shop! Of course, guests may also stroll the gorgeous, historic gardens and the Playgarden, Homes of Nature and the butterfly habitat are great places for families and children.

We haven't forgotten you, football fans. We'll be showing the Browns vs. Steelers game on TV.

So, enjoy the day at Stan Hywet and see some really some amazing cars.

*The Molto Bella Auto Show is presented in partnership with the Kidney Foundation of Summit County and will benefit both organizations.*
